

AN EVENING OF SONG

Sacred Chants, Toning and Prayer *with Lars Muhl and Naleea Landmann*

Abbey Church of Vlierbeek - Abdij van Vlierbeek (Kessel-Lo - Leuven)
Friday 28.11.2025, 19:00 – 21:00 h. Doors open at 18:30 h

In this evening we will be singing together, as well as sharing moments of toning, prayer, poetry, meditation, storytelling and teachings. Deep joy and merriment follow moments of silence and peacefulness. We live in difficult and challenging times, that call for our involvement on many personal and collective topics. Whatever we choose to focus on in our everyday lives, we must know who we are and what we came here to do. Each one of us has a unique purpose in the great celestial enfoldment. Through spiritual practice, we raise our conscious awareness and receive healing, joy, clarity and guidance.

THE FORGOTTEN POWER

Workshop

with Lars Muhl and Naleea Landmann

Nieuw Abtskwartier (Elisabeth Room) in the Abbey of Vlierbeek

Abdij Vlierbeek (Kessel-Lo - Leuven)

Saturday 29.11. and Sunday 30.11.2025 - from 10:00 h to 17:00 h pm

In times of turmoil, unrest and confusion, we seem to have forgotten that the guidance, help and calm we are searching for outside of ourselves, are to be found within our own hearts.

Once we regularly settle there, we will be able to hear our inner voice – the voice of our higher intuition – and receive strength and clarity to see through all appearances of disharmony in the surface of whatever is in front of us.

“There is nothing in the world which does not speak. Every thing and every being is continually calling out its nature, its character, and its secret; and the more the inner sense is open, the more capable it becomes of hearing the voice of all things.”

HAZRAT INAYAT KHAN

Humanity is finding itself at the dawn of a new era, where all the old agendas and purposes of our lives have to be transformed.

In this workshop we will explore the healing power of *The Kingdom of Heaven within*, how it can change our perception of who we are and why we came into the present incarnation. Every one of us has a special purpose and assignment in this life, and all of us are equipped with the skills it takes to succeed in fulfilling it, even if we seem to have forgotten them.

Through spiritual practice, we raise our conscious awareness and receive healing, joy, clarity and guidance.

We will work with Prayer (including the old Essene Prayer B'Shm Adonai), Meditation, Songs and Toning, Silence, Healing, etheric awareness and dance, the masculine and feminine Principles. All practices will help to access and perceive the inner Kingdom of Heaven.

Food and Drinks: During the workshop our hosts Gerda and Jo will offer coffee, tea and water for free.

Participants can bring along their own lunch, but there is also the possibility to have lunch in the tavern of the Abbey („De Rozenkrans“).

Participation fee: € 240 payable in cash on site.
